Dear XX XX XX

Re: Preparing for Life Programme

I hope everything is going well for you and your family. I am writing to you as there have been several attempts to contact you to arrange a visit since XX XX XX

We agreed during our first meeting that we would make ourselves available to engage and participate in monthly visits.

Our last visit took place on XX XX XX and since then there has been difficulty in a visit going ahead.

We understand that family life can be busy and challenging to fit other things in at times. If this is not a suitable time for you and your family to participate in the Preparing for Life programme – we completely understand.

If this is the case, there are a couple of options we can offer you; which can be discussed at a convenient time for you.

We also recognise that personalities can sometimes differ; if you would like to discuss working with a different team member, please let us know. I am happy to discuss this with you, or if you would prefer, you can discuss it with the Home Visiting Co-ordinator, XXXXXX on 08X XXXX XXX.

If you would like to continue participating in the Preparing for Life programme or feel it is no longer suitable, we ask that you let us know.

Kind regards,

Home Visitor: XXXX XXX XXX
